No credit is extended. The plan does not provide indemnity cover for unexpected or emergency veterinary treatment. You should consider appropriate pet insurance separately.

2.3 Vetsure acts as third-party administrator and collects your Monthly Payment by Direct Debit on behalf of The Pet Vet. Your Direct Debit mandate will reference Vetsure.

- 3.2** Your Plan is personal to you and the specific pet named in your Plan Schedule. It is non-transferable.
- 3.3** By completing enrolment, you confirm all information provided is accurate and complete. Providing false or misleading information may result in immediate Plan termination and recovery of amounts owed.
- 3.4** We reserve the right to decline enrolment at our reasonable discretion.

4. Plan term and minimum commitment

- 4.1** Your Plan operates on a 12-month Minimum Term commencing on your Plan Start Date.
- 4.2** During the Minimum Term, you commit to paying the Monthly Payment for the full 12-month period in exchange for access to all Included Services.
- 4.3** After the Minimum Term, your Plan automatically renews monthly unless you provide written cancellation notice in accordance with Section 7.

6. Cancellation during the minimum term

KEY TERM — Please read clauses 6.2 to 6.8 carefully.

If you cancel before the 12-month Minimum Term expires, you may choose whichever of the following two options results in the lower amount being payable.

- 6.1 You may cancel at any time by written notice in accordance with Section 7.
- 6.2 If you cancel during the Minimum Term, the following options apply and you will pay whichever results in the lower amount:

Option A — Continue and keep your entitlements: Pay the remaining monthly payments for the rest of the 12-month term. In return, you retain full access to all Included Services entitlements until the end of the term.

Option B — Settle based on treatment received: Pay the difference between the total standard retail value of Included Services already provided to your pet (the “Treatment Value”) and the Total Payments Made to date. Access to further Included Services ends on cancellation.

- 6.3 The amount payable is whichever of Option A or Option B is lower, payable within 14 days of a written statement from us.
- 6.4 If Total Payments Made equal or exceed Treatment Value under Option B, nothing further is payable under that option. No refund applies.
- 6.5 We will always provide a clear itemised breakdown before requesting any payment.
- 6.6 Example: You cancel after 4 months, having paid £120. There are 8 months remaining (£240 under Option A). The retail value of services provided is £200, so the Option B balance is £80. Option B is lower, so £80 is payable. If the retail value of services provided was only £60, nothing is owed under either option.
- 6.7 The Early Cancellation options do not apply to cancellations after the Minimum Term.

7. Cancellation procedure

- 7.1 Cancel by contacting Vetsure in writing, giving a minimum of 30 days’ notice.
- 7.2 Cancellation takes effect from the next scheduled payment date after receipt of your notice.
- 7.3 Cancellation does not entitle you to a refund of Monthly Payments already collected.
- 7.4 Where you cancel during the Minimum Term, The Pet Vet will calculate and communicate any amount payable under clauses 6.2 to 6.5.

8. Cooling-off period

- 8.1 You have a right to cancel within 14 days of: (a) your Plan Start Date; or (b) the date you received these Terms, whichever is later, under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013.
- 8.2 A refund will be issued of Monthly Payments made, less the standard retail value of any Included Services already provided during the Cooling-Off Period.
- 8.3 Refunds are processed by Vetsure within 14 days of receiving your cancellation notice, via the original payment method.

9. Included Services

- 9.1 Included Services are set out in your Plan Schedule and may include vaccinations, health checks, flea and worm treatment, nurse consultations, and other agreed preventative healthcare services.
- 9.2 Unused Included Services do not roll over and have no cash value.
- 9.3 Included Services must be accessed at The Pet Vet practice named in your Plan Schedule.
- 9.4 We may amend Included Services on renewal with 30 days’ notice.

- 9.5** This Plan does not cover emergency treatment, diagnostic tests beyond those specified, referral costs, prescription medications, or any treatment not expressly listed as an Included Service.

10. Our right to cancel or suspend

- 10.1** We may immediately cancel or suspend your Plan if: you fail to make two or more consecutive payments without remedy; you provide false information; you act abusively towards staff; or we are required to by law.
- 10.2** If we cancel under clause 10.1(a) or (b) during the Minimum Term, the cancellation options in Section 6 apply.
- 10.3** We may also terminate with 30 days' notice for any other reason, with no early cancellation amount payable and a pro-rata refund of any prepaid amounts.

11. Changes to these Terms

- 11.1** We will give 30 days' prior written notice of any material changes.
- 11.2** Continued use after the effective date constitutes acceptance. If you do not accept changes, you may cancel under Section 7.

12. Data protection

- 13.1** Both The Pet Vet and Vetsure process personal data under UK GDPR and the Data Protection Act 2018. See each party's Privacy Policy for full details.

- you agree to be bound by them;

Terms and Conditions – Plans commenced 1 July 2026 onwards

Your Pet Health Plan ("the Plan") is a **fixed 12-month subscription — it is not a rolling monthly contract**. When you sign up, you are committing to the Plan for a full 12-month term. The total price is the annual amount shown at sign-up, which you pay in 12 equal monthly instalments for your convenience. The monthly instalments are simply the annual price spread across the year — they are not separate month-by-month agreements you can end at any time.

14-day cooling-off period. You have the right to cancel within 14 days of signing up, for any reason. If you cancel within this period we'll refund any payments made, less the cost of any treatments or services you've already received under the Plan during that time. To cancel, contact us at [email/phone].

Cancelling after 14 days. Because the Plan is a fixed 12-month subscription rather than a rolling monthly one, if you cancel after the 14-day cooling-off period has ended you remain responsible for the remaining instalments up to the end of your 12-month term. We may either continue to collect these by your agreed payment method until the term ends, or ask you to settle the outstanding balance.

Exceptions – if your pet passes away or is rehomed. If your pet passes away or is rehomed during the term, you can cancel the Plan and you will not be required to pay the remaining instalments. Just contact us and we'll arrange this — we may ask for reasonable confirmation. If you move outside our practice area during the term, contact us and we'll discuss your options.

How to cancel. [email/phone/portal]. We'll confirm your cancellation and any balance due in writing.
